Bernie contract – further discussion on if we could cut runs. Discussed no Friday cut, cut 5pm on Saturday and Sunday and cut 9 pm on Sunday. Then discussed and agreed to offering \$1,000 more to existing contract with not cuts or \$1,000 less with Friday, Saturday, and Sunday cuts. Consensus to have ferry committee negotiate this final agreement. Dan to make the final negotiating call since he has the full history of past ferry contract.
