### A Letter from the President

Dear Islanders and Friends of Russell Island,

I was just thinking about this past season ... did I imagine it or did it really appear to go by fast? Maybe those who don't have a summer residence might think summer progressed slowly but it seems like I just put the water on and before I knew it I was closing it down! I never am able to finish all the projects I plan on getting done - must be just a little too much watching the boats going by. It certainly can't be that I am slowing down, or procrastinating! Perhaps I have been hanging on to the summer and Russell Island because I hate to see the time spent there come to an end.

Speaking of projects, as you know the Russell Island Foundation usually has one underway. When people comment that the year should be less stressful for the RIF Board, I always hope they are correct! However, they seldom are as Russell Island always has a priority that our membership can work on to make it a better place. At RIF's annual meeting this year, the Membership gave our Board direction (by way of a motion) to establish a restricted fund for use exclusively on the purchase of the Krajenke Property for overflow parking meant for friends and family of Russell Islanders. The Foundation membership was notified via a separate letter explaining the timetable and process. As a result, we have been receiving donations and YOUR support is greatly needed.

As the year comes to an end, it affords us the perfect opportunity to look back and reflect on the many good things that we have achieved this year. Our RIF membership has grown. The Memorial Day ceremony honoring Family, Friends, and Military was again largely attended. The RIF Auction was a huge success. The construction of the new "Gathering Bench" celebrating the achievement of our recent parking lot was completed at the Island Ferry Landing. What a wonderful welcoming sight it is to Islanders and guests as they debark the Ferry. The Gathering Bench is something for us all to be proud of since we all contributed in one way or another to make it happen.

Each year our membership comes up with new fundraising ideas which benefit RIF and our Island. This year, Ginger Harrington has volunteered to make a Russell Island Calendar utilizing photos from years past. She is particularly looking for photographs of Island scenery which reflect our past, i.e. the old ferry dock, cottages that don't exist anymore, winter-scapes, etc. Please send them to her at: Ginger Harrington, 2005 Fox Hollow Ct, Wixom, MI 48393. She is planning to have the 12 month calendar start in June 2014 so we can view and use it for the entire year. Please support and help her out. All the proceeds will go to Russell Island Foundation Future Parking which will benefit all of us.

A reminder for those of you who are looking for a Christmas gift that will be remembered all year long, Diane Stock has just the thing! Of course it is The "Island Delights" Cook Book! Just the thing for someone who has everything... but needs a good recipe. You can contact Diane or Kathy Engelhart to purchase your cookbook, still a bargain at \$20.

And lastly, we have just received a check from the Kroger Rewards program in the amount of \$612.43 with only 56 households currently enrolled. Kroger has contributed approximately \$2000.00 each year to the RIF general fund through our participation in the rewards program. That number could easily be doubled if we had a 100% participation of Islanders and friends in the rewards program. Support it and get those gas rewards for yourself. If you are not signed up contact Karen Moosekian for help. Little in life is free but this is one that is; and the rewards benefit the Island just by you shopping there and being enrolled.

On behalf of your Russell Island Foundation Board, I would like to say it has been a pleasure to serve this year and wish you and your family a Happy Holiday and a healthy and prosperous New Year.

Russell Island Foundation President,  
Joe Moosekian
